Answer these questions...

Any surprises? General trends.

Which factors stem from a lack of achievement and which from a lack of opportunity?

Are gaps in achievement and gaps in opportunity mutually exclusive? That is, how do they influence each other?

Achievement Gap vs. Opportunity Gap

“Generally speaking, *opportunity gap* refers to inputs—the unequal or inequitable distribution of resources and opportunities—while *achievement gap* refers to outputs—the unequal or inequitable distribution of educational results and benefits.”
